April 2014

Angelo Borrelli – Senior Drafting Technologist

Edmonton, Alberta – Darrell Haight, President and CEO of Trace Associates Inc. (Trace) is pleased to welcome Mr. Angelo Borrelli to the position of Senior Drafting Technologist. Angelo will lead and manage all drafting aspects for Trace's clients. His role includes promotion, development, operation, support training, and day-to-day execution of all AutoCAD drafting aspects of Trace's business.

Angelo Borrelli

Angelo brings more than 22 years of consultation and drafting experience in a variety of sectors, including corrosion control design, 3D modeling, and illustration. Prior to joining Trace, Angelo owned and operated a privately-held drafting and design company. He studied Engineering Design and Drafting at the Northern Alberta Institute of Technology. He furthered his educational studies in GIS Concepts, Project Leadership, Business Development, and LEAN Methodology.

"I am thrilled to have a senior person like Angelo join our team as a full-time employee," says Haight. "He has provided contract drafting services to Trace in our office for the past five years, and we are pleased to have his talents fully integrated into the Trace team."

About Trace Associates Inc.

Founded in 2006, Trace is a 100% employee-owned environmental consulting firm serving Western and Northern Canada. Trace's team of energetic professionals is capable of managing and efficiently completing all types of projects. We take pride in our enthusiasm, focus on safety, and client responsiveness.

Trace provides environmental consulting services to oil and gas, real estate, development, government, forestry, mining, and industrial clients during all stages of the project life cycle (planning, construction, operation, decommissioning, and redevelopment).
