Trace Associates Social Media Contest Winner Announced

In March, Trace Associates Inc. (Trace) launched our fourth annual Social Media Contest. For the contest, staff form teams to create song, movie, or infomercial parodies about Trace, and Trace donates \$1,000 to a community organization of their choice if they get the most "hits" on YouTube. This year's winning team is "Trace Environmental Minions" from the St. Albert office, who chose the Constable David Wynn Foundation as their foundation of choice.

"Our staff have really embraced this contest and have a ton of fun with it", says Trace President and CEO Darrell Haight. "Team Trace Environmental Minions produced a fun video that showed people what Trace does, and appealed to an audience of all ages. Great work."

Trace invests in our host communities' quality of life by supporting six main areas, including family and community wellness, environment, education, sports and recreation, community enhancement, and employee support. "Our Social Media Contest is one of the many ways we support our community", says Haight. "We are proud of our employees and their commitment to the community."

About Trace Associates Inc.

Founded in 2006, Trace is a 100% employee-owned environmental consulting firm serving Western and Northern Canada. Trace's team of energetic professionals is capable of managing and efficiently completing all types of projects. We take pride in our enthusiasm, focus on safety, and client responsiveness.

Trace provides environmental consulting services to oil and gas, real estate, development, government, forestry, mining, and industrial clients during all stages of the project life cycle (planning, construction, operation, decommissioning, and redevelopment).
