## **Bart Kenneway – Senior Project Manager**

Calgary, Alberta – Darrell Haight, President of Trace Associates Inc. (Trace), is pleased to welcome to Trace, Mr. Bart Kenneway, to the position of Senior Project Manager. Mr. Kenneway will focus on complex and large scale assessment and remediation projects for upstream and midstream oil & gas, real estate, and industrial clients.

### **Bart Kenneway, B.A.E.M., Soil and Water Conservation Diploma**

Mr. Kenneway brings over nine years of environmental science experience working in consulting in Alberta. A graduate of the Bachelor of Applied Environmental Management program at Lakeland College, Mr. Kenneway began his career with a large multi-disciplinary engineering consulting firm prior to joining Trace.

### **President's Remarks**

"I am very excited to welcome someone with Bart's dedication to high quality customer service to the Trace team," says Haight. "Bart has the experience, disposition, and communication skills to turn the most complex and difficult project into one with a simple solution."

### **About Trace Associates Inc.**

Founded in 2006, Trace is a 100% employee-owned environmental consulting firm serving Western and Northern Canada. Trace's team of energetic professionals is capable of managing and efficiently completing all types of projects. We take pride in our enthusiasm, focus on safety, and client responsiveness.

Trace provides environmental consulting services to oil and gas, real estate, development, government, forestry, and industrial clients during all stages of the project life cycle (planning, construction, operation, decommissioning, and redevelopment).
