

## Practice Area Lead, Natural Sciences

*Trace Associates Inc. (Trace) is a 100% employee-owned environmental consulting firm advising all market sectors in Western Canada. We provide services in environmental site assessment, remediation, risk assessment, reclamation, spill response, liability assessment, environmental auditing, GIS, regulatory advisory, biological services, and facility decommissioning.*

*Our Vision is to be the most respected specialized environmental consulting firm in Western Canada. Our Mission is to be safe and be the best, and our Core Values are safety, excellence, and balance.*

**THE OPPORTUNITY**  
Due to continued growth,  
we are seeking a  
Practice Area Lead, Natural  
Sciences. This position can  
be based out of any  
Trace office.

### **YOUR RESPONSIBILITY**

- Lead this practice area for all of Trace.
- Develop, manage, and implement projects related to wetlands, wildlife assessment and management, biophysical impact assessments, environmental assessments, and regulatory approvals.
- Provide senior technical advisory relating to natural science and biology on multidisciplinary projects.
- Liaise and foster relationships with industry colleagues.
- Present results to clients and regulators.
- Coach and mentor junior and intermediate technical staff.

### **YOUR PROFILE**

- Minimum of 10 years of technical or business experience in biological sciences, wetlands, and ecology.
- Active member of Alberta Society of Professional Biologists.
- You embrace being a key member of integrated and interdisciplinary teams.
- You love what you do and are a leader in your field.
- An enthusiastic and positive attitude, ability to multi-task, and a passion for consistently delivering outstanding work.
- You are excited about coaching and mentoring technical staff.
- Excellent project management, written, and verbal communication skills.

For further information or to apply, quote position no. CAN-0300-03 and email your resume to [info@traceassociates.ca](mailto:info@traceassociates.ca) or visit [TraceAssociates.ca](http://TraceAssociates.ca)

*We thank all those who apply; however, only those selected for interviews will be contacted.*
