

Summer Students and Interns

Trace Associates Inc. (Trace) is a 100% employee-owned environmental consulting firm advising the energy, mining, industrial, forestry, real estate, and development market sectors. We provide services in environmental site assessment (ESA), remediation, reclamation, spill response, liability assessment, environmental auditing, GIS, regulatory advisory, and facility decommissioning.

Our Vision is to be the most respected specialized environmental consulting firm in Western Canada and our Mission is to be safe and be the best. Our Core Values are safety, excellence, and balance.

THE OPPORTUNITY

Due to continued growth,
we are seeking
Environmental Summer
Students (4 month term)
and Environmental Interns
(4-16 month terms) based
out of all of our offices.

YOUR RESPONSIBILITY

- Assist with field work relating to vegetation management, reclamation, ESAs, groundwater monitoring, and soil and groundwater remediation projects.
- Assist with work plans and cost estimates, and summarize soil and groundwater data for review.
- Participate in field-based projects (primarily in Alberta and Saskatchewan).

YOUR PROFILE

- Enrolled in a college or university program related to the environmental field.
- Eligible for membership as a Professional Agrologist (P.Ag.), Professional Engineer (P.Eng.), Professional Geologist or Hydrogeologist (P.Geol.), Professional Biologist (P.Biol.), Professional Forester (RPF), or other relevant professional association.
- Experience driving a 4x4 truck and an agricultural background are considered assets; however, not required.
- An enthusiastic attitude, ability to multi-task, and a passion for consistently delivering outstanding work.
- An eagerness to work with a dynamic team and a growth oriented company.

For further information or to apply, quote position no. CAN-0300-05 and email your resume to info@traceassociates.ca or visit TraceAssociates.ca

We thank all those who apply; however, only those selected for interviews will be contacted.
