

Pipeline Environmental Inspectors and Pipeline Reclamation Consultants

Trace Associates Inc. (Trace) is a 100% employee-owned environmental consulting firm primarily focused on the oil and gas, mining, forestry, real estate, and development market sectors. We provide services in environmental site assessment (ESA), remediation, reclamation, spill response, liability assessment, environmental auditing, GIS, forestry, and facility decommissioning.

Our Vision is to be the most respected specialized environmental consulting firm in Western Canada and our Mission is to be safe and be the best. Our Core Values are safety, excellence, and balance.

THE OPPORTUNITY

Due to continued growth, we are seeking several pipeline environmental inspectors (intermediate, and senior) and pipeline reclamation consultants to work on some of the country's most interesting and challenging pipeline construction projects.

YOUR RESPONSIBILITY

- Provide technical and compliance support for the environmental aspects of major pipeline construction projects (including horizontal directional drills) in Western Canada.
- Senior inspectors and coordinators will coach and mentor junior personnel.
- Provide input on major issues such as weather shut downs and non-compliance matters.
- Track all environmental incidents and non-compliance matters and be part of the team that finds great solutions and prevents future incidents.

YOUR PROFILE

- You're excited about interesting projects, you can make timely decisions, and communicate well.
- University degree(s) or College diploma(s) in environmental science, soil science, biology, forestry, or related discipline.
- Eligible for membership as a Professional Agrologist (P.Ag.), Registered Professional Forester (R.P.F.), Professional Biologist (P.Biol.), Registered Technologist in Agrology (R.T. Ag.) or other relevant professional association.
- A Master's degree is considered an asset; however, is not a pre-requisite for the positions.
- An enthusiastic attitude, ability to multi-task, and a passion for consistently delivering outstanding work.

For further information or to apply, quote position no. CAN-AB-EDM-0200-17 and email your resume to info@traceassociates.ca or visit TraceAssociates.ca

We thank all those who apply; however, only those selected for interviews will be contacted.
