
Announcement

March 2016

Michael Lakustiak, B.Sc., P.Eng. – Senior Environmental Engineer

Calgary, Alberta – Darrell Haight, President and CEO of Trace Associates Inc. (Trace) is pleased to welcome Mr. Michael Lakustiak to the position of Senior Environmental Engineer. Michael will join Trace's newly established Regina office and provide senior technical advisory to Trace's assessment, remediation, and risk assessment teams.

Michael Lakustiak

Michael brings more than 20 years of experience in environmental consulting and leadership across Western Canada. His background includes environmental site assessment, remediation, and risk assessment management. In addition, Michael has led research and development projects through the Scientific Research and Experimental Development Tax Incentive Program. He has spent the past 20 years working in Saskatchewan's environmental consulting sectors and is recognized as a leader in remediation in the province.

"Michael increases our environmental engineering capacity both in Saskatchewan and Alberta," says Haight. "Michael is a technical leader, and we are pleased to have his leadership in our new Regina office."

About Trace Associates Inc.

Founded in 2006, Trace is a 100% employee-owned environmental consulting firm serving Western and Northern Canada. Trace's team of energetic professionals is capable of managing and efficiently completing all types of projects. We take pride in our enthusiasm, focus on safety, and client responsiveness.

Trace provides environmental consulting services to oil and gas, real estate, development, government, forestry, mining, and industrial clients during all stages of the project life cycle (planning, construction, operation, decommissioning, and redevelopment).
