## Trace Associates Staff Member Wins Cenovus Energy Safety Award

On April 16, 2013, Trace Associates Inc. (Trace) Lethbridge staff member and partner, Eric Van Gaalen, was awarded the Cenovus Energy Safety Stewardship Award at a ceremony held in Brooks, Alberta. The award included a \$5,000 donation to charity, and Eric chose Ronald MacDonald House Southern Alberta.

“Trace would like to thank Cenovus for recognizing their suppliers’, and in particular Eric and Trace”, says Trace President Darrell Haight. “We consider it a privilege to work with world class clients like Cenovus and we value their commitment to safety, integrity, and the community.”

“Our commitment to safety and our entire safety program is really a team effort”, says Eric Van Gaalen. “I would really like to thank Corey Shilliday, our division manager for ingraining us with a safety culture through his mentorship, and to my team members Davin Johnson and Lenore Stone, as they make a significant contribution to our field work with Cenovus in Southern Alberta. They have also done a great job doing the work safely, with all of their safety documentation, and helping us to meet our safety goals.”

### About Trace Associates Inc.

Founded in 2006, Trace is a 100% employee-owned environmental consulting firm serving Western and Northern Canada. Trace’s team of energetic professionals is capable of managing and efficiently completing all types of projects. We take pride in our enthusiasm, focus on safety, and client responsiveness.

Trace provides environmental consulting services to oil and gas, real estate, development, government, forestry, mining, and industrial clients during all stages of the project life cycle (planning, construction, operation, decommissioning, and redevelopment).
