Trace Associates Inc. Partners with Habitat for Humanity – Saskatoon

In support of our Corporate Social Responsibility Policy, Trace Associates Inc. (Trace) has initiated a partnership with Habitat for Humanity – Saskatoon. Each local Trace office selects a community organization to provide ongoing support. We are pleased to announce Habitat for Humanity – Saskatoon as the first community partner for our Saskatoon office. Trace will attend at least two volunteer events per year and collects funds and/or products for donation to Habitat for Humanity.

“Our staff are committed to our communities and are always looking for ways to give back to our neighbourhoods”, says Trace President and CEO Darrell Haight. “Trace is dedicated to conducting business in a socially responsible and ethical manner. Working with Habitat for Humanity - Saskatoon is one of the ways we contribute to building healthy communities. Our commitment to Habitat is one of the many ways we support our neighbourhoods. We are proud of our employees and their commitment to the community.”

Trace invests in our host communities’ quality of life by supporting six main areas, including family and community wellness, environment, education, sports and recreation, community enhancement, and employee support.

About Trace Associates Inc.

Founded in 2006, Trace is a 100% employee-owned environmental consulting firm serving Western and Northern Canada. Trace’s team of energetic professionals is capable of managing and efficiently completing all types of projects. We take pride in our enthusiasm, focus on safety, and client responsiveness.

Trace provides environmental consulting services to oil and gas, real estate, development, government, forestry, mining, and industrial clients during all stages of the project life cycle (planning, construction, operation, decommissioning, and redevelopment).
