November 2015

Jeremy Lang, B.Sc., P.Ag. – Market Sector Lead, Saskatchewan

Calgary, Alberta – Darrell Haight, President and CEO of Trace Associates Inc. (Trace) is pleased to welcome Mr. Jeremy Lang to the position of Market Sector Lead, Saskatchewan. Jeremy will join Trace's Saskatoon office and help grow Trace's environmental services across all sectors.

Jeremy Lang

Jeremy brings more than 15 years of experience in client management in the environmental consulting sector in Western Canada. Throughout his career, he has specialized in remediation for the oil and gas, industrial, and commercial industries. In addition, Jeremy has managed in-situ remediation projects by incorporating new technologies and practices. He has spent the past 15 years understanding the Saskatchewan landscape and helping clients solve their environmental challenges.

“Jeremy will bring additional leadership to our Saskatoon office and assist our Saskatchewan client base with their environmental needs,” says Haight. “I’ve known Jeremy for over 15 years, and he embodies everything Trace is about. We are pleased to have Jeremy join Trace and enhance our technical capabilities across all market sectors.”

About Trace Associates Inc.

Founded in 2006, Trace is a 100% employee-owned environmental consulting firm serving Western and Northern Canada. Trace's team of energetic professionals is capable of managing and efficiently completing all types of projects. We take pride in our enthusiasm, focus on safety, and client responsiveness.

Trace provides environmental consulting services to oil and gas, real estate, development, government, forestry, mining, and industrial clients during all stages of the project life cycle (planning, construction, operation, decommissioning, and redevelopment).
