Trace Associates Inc. Announces St. Albert Office Move

Edmonton, Alberta – Darrell Haight, President and CEO of Trace Associates Inc. (Trace), one of Western Canada’s leading environmental consulting firms, is pleased to announce a relocation and expansion of our operations in St. Albert, Alberta.

St. Albert, AB

As of October 17, 2014, Trace's St. Albert operations will relocate to our stand-alone office building located at 385 Carleton Drive, in the Campbell Business Park. Since 2007, our St. Albert staff has grown from 4 to 18 people. This move will give Trace the capacity to double our operations over the next five years.

“St. Albert is a great place do business, and it’s a city that talented professionals want to live and work in,” says

Haight. “At Trace, family comes first. The opportunity to live and work in one of the best family-friendly cities in the world is but one of many reasons that Trace is an employer of choice for top professionals.”

About Trace Associates Inc.

Founded in 2006, Trace is a 100% employee-owned environmental consulting firm serving Western and Northern Canada. Trace’s team of energetic professionals is capable of managing and efficiently completing all types of projects. We take pride in our enthusiasm, focus on safety, and client responsiveness.

Trace provides environmental consulting services to oil and gas, real estate, development, government, forestry, mining, and industrial clients throughout all stages of the project life cycle (planning, construction, operation, decommissioning, and redevelopment).
