Active Physio Works – 2016 Community Leadership Award

Trace Associates Inc. (Trace) invests in our communities, both personal and professional. We are proud to support initiatives and programs that improve the quality of life in our communities. In 2014, Trace helped create and sponsored the Community Leadership Award for the St. Albert & District Chamber of Commerce Small Business Awards.

Trace sponsored the award because we believe in recognizing companies who integrate family wellness, environmental sustainability, safety, and community engagement within their business activities. The winner this year for the Community Leadership Award was Active Physio Works for their efforts to make St. Albert a wonderful place to live and work.

“Congratulations to Active Physio Works for winning the Community Leadership Award”, says Trace President and CEO Darrell Haight. “It takes a lot of hard work and dedication to start and run a successful small business while giving back. Active Physio Works has done a great job of helping those in need and supporting community-minded events. Congratulations on being a leader in your community.”
