## **Lois A. Miller, MBA – Director, Strategy & Business Development**

Saskatoon, Saskatchewan – Darrell Haight, President of Trace Associates Inc. (Trace) is pleased to welcome to Trace, Ms. Lois Miller, to the position of Director, Strategy & Business Development. Ms. Miller will focus on opening Trace's Saskatoon Office and growing Trace's mining business. Her role includes strategy development and execution, business development, and assisting in marketing activities.

### **Lois A. Miller, MBA**

Ms. Miller brings over 20 years of customer service and client management expertise, and has in-depth environmental and mining networks in Saskatchewan and the rest of Canada. A graduate of the MBA program at the Edwards School of Business at the University of Saskatchewan, Ms. Miller also holds a B.A. with Double Honours in Political Science and Native Studies, also from the University of Saskatchewan. Prior to joining Trace, Ms. Miller was a Senior Business Advisor with the Saskatchewan Research Council. She serves on the board of the Saskatchewan Environmental Industry Management Association (SEIMA), is an Advisory Committee Member of Tourism Saskatoon Sustainability, and is actively involved in the Canadian Institute of Mining (Saskatoon), Womentorship (Edwards School of Business), and Women in Nuclear / Women in Mining.

"I am thrilled to have Lois join our team," says Haight. "Her personality, attitude, professionalism, and enduring commitment to the business community aligns directly with the way we do business at Trace. I'm looking forward to working directly with Lois to expand our mining sector portfolio and to grow our Saskatchewan team."

### **New Trace Office in Saskatoon**

Ms. Miller will open a new Trace office in Saskatoon and existing Trace staff in Saskatchewan will join that office. Trace has worked in Saskatchewan since inception in 2006 and Saskatoon is a great fit for our company. We look forward to a strong commitment to the business and professional community not only in Saskatoon but all across Saskatchewan.

### **About Trace Associates Inc.**

Founded in 2006, Trace is a 100% employee-owned environmental consulting firm serving Western and Northern Canada. Trace's team of energetic professionals is capable of managing and efficiently completing all types of projects. We take pride in our enthusiasm, focus on safety, and client responsiveness.

Trace provides environmental consulting services to oil and gas, real estate, development, government, forestry, mining, and industrial clients during all stages of the project life cycle (planning, construction, operation, decommissioning, and redevelopment).
