Your Challenge

Waste and recycling programs don't have to cost more money to be better managed. You may be looking to reduce costs, site your facility, minimize waste, ensure compliance, divert from landfill, or improve your environmental image. Whatever your challenge, we're here to help.

Your Solution

Retain a firm with great ideas that will help you reduce your costs and improve your environmental performance, simultaneously. Our goal is to help you understand your challenge and work with you to find the right solution.

Your Team

Trace Associates Inc. (Trace) is an experienced and leading firm in providing environmental consulting services throughout Western and Northern Canada. We possess an energetic team of professionals capable of managing and efficiently completing all types of projects. We take pride in our focus on safety, passion, and client responsiveness.

Our Clients

At Trace, we want to work with the best – that's where you come in. Our clients include warehouse managers, environmental program supervisors, and small business owners. We work for all types of clients, including small and mid-sized companies, large international corporations, and government-owned facilities.
